

Westminster Community Grant 2019 Application

ABOUT THE GRANT

Westminster Presbyterian Church has maintained a strong commitment to supporting city-wide organizations that serve our neediest citizens. Now in its eighth year, our annual grant program is open to non-profit organizations in Northern Virginia that provide services in the areas of Children, Hunger, Education, Shelter, and Self-Sufficiency (CHESS). Since 2012 we have awarded 42 grants exceeding \$155,000. This year each grant award is up to \$5,000.

GRANT GUIDELINES

Please note: Grants are intended to be used for a single project or need and will not provide on-going funding to any organization. The committee prioritizes projects that can be fully funded with our grant award unless additional funding for the project is already committed. Our preference is for programs, supplies or repairs (rather than staff or consultant compensation).

Grant monies must be used within 12 months of the Grant payment; funds not used by this time must be returned to the Westminster Presbyterian Community Grant Fund. All Grant recipients agree to allow Westminster Presbyterian Church to use the organization's name, images, etc. in our publications, web site, and external announcements. Recipients further agree to present, in person, information on how the monies were used to the officers and/or congregation upon invitation.

Previous award winners are eligible. **Applications are due by 5:00 p.m. on Monday, March 25, 2019.** Any application received after the deadline will not be considered.
